210-645-5003 • imeritt@merittnorth.com • merittnorth.com

Professional Summary

Versatile media professional and founder of Meritt North, LLC, with 10+ years of cross-platform experience in audiobook narration and production, professional voiceover, podcast production, web design, SEO, digital content, and multimedia brand systems. Known for polished audio delivery, creative direction, technical production workflows, and client-ready media assets across publishing, voiceover, and digital platforms.

Core Career Focus

Audiobook Narrator & Producer

Long-form narration, recording, editing, mastering, proofing, QC, publisher specifications, and ACX-compliant delivery.

Voiceover Artist

Commercial, corporate, eLearning, explainer, promo, narration, animation, and branded voice performance.

Multimedia Specialist

Web design, SEO, brand systems, graphics, digital marketing, podcast production, content strategy, and client-facing media services.

Professional Experience

Audiobook Narrator & Producer

Jan 2016 - Present

Meritt North, LLC / Major Publishers

- Narrate, record, edit, master, proof, and deliver professional long-form audiobook productions across fiction, nonfiction, business, religion, mystery, romance, sci-fi, and educational titles.
- Manage full production workflows including performance direction, pacing, pronunciation research, cleanup, mastering, metadata readiness, and delivery to publisher or platform standards.
- Collaborate with authors, rights holders, publishers, and studios to deliver clean, consistent, deadline-driven narration and production assets.

Voiceover Artist

Jan 2016 - Present

Agency Representation / Meritt North, LLC

- Provide broadcast-ready voiceover for commercial, corporate, eLearning, explainer, promo, narration, animation, and digital media projects.
- Maintain professional studio workflow with clean capture, editing, QC, delivery, and quick-turn client communication.
- Represented across domestic and international voiceover and casting platforms with versatile range and polished technical delivery.

Multimedia Specialist & Principal

Jan 2016 - Present

Meritt North, LLC

- Lead full-service multimedia projects across web design, SEO, brand identity, graphic design, video, audio, content systems, and social media support.
- Build mobile-responsive sites using Wix, WordPress, Squarespace, Shopify, and WooCommerce with integrated UX, analytics, and conversion strategy.
- Create client-ready digital assets, marketing collateral, platform content, and production workflows for entrepreneurs, authors, and creative businesses.

Podcast Producer, Editor & Managing Editor

Mar 2021 - Present

Word Power Productions / Word Power Studios / Truth Talks

- Produce and polish podcast content from scripting support and recording workflows through editing, mixing, mastering, show notes, and distribution.
- Co-manage Word Power Productions, LLC across brand strategy, episode development, content packaging, and publishing systems.
